FY 2010 Executive Managerial Report

The success in competing for these awards is a reflection of the caliber and dedication of our faculty and their national stature.

The awards reported are those recorded in ORS extramural fund award database for the UH system. For each of the two major sections, Research and Non-Research Awards, tabulations are provided by principal investigator, funding agency and by the department/college/campus under whose auspices the project is done. I trust that you will find this information useful.

In the effort to provide the UH community with the most relevant extramural fund data, we have expanded the award summaries provided to include details by campus down to the department level.
