Dear UH Research Community,

Congress just passed the continuing resolution, which the President is expected to sign into law, to avert the government shutdown that was scheduled to go into effect at midnight. While we are fortunate to have dodged another obstacle that could have further complicated our current situation, I ask that everyone continue to exercise patience and remain vigilant as we navigate this unprecedented time in higher education together.

For ongoing, research-related "New Administration Federal Funding Updates," please visit our website, [research.hawaii.edu/new-administration-federal-funding-updates/](https://research.hawaii.edu/new-administration-federal-funding-updates/).

Regards,

Vassilis L. Syrmos

Vice President for Research and Innovation
